Scholarship description

This scholarship awards an tuition annually up to one top student from Nepal. Scholarships apply to tuition only and are automatically renewed annually up to the completion of one degree, subject to the scholarship terms and conditions. The Nepali Student Scholarship is awarded to a student in a field of study that enables the student to return home and contribute to the reconstruction needs of Nepal. The award is intended to help educate future leaders who can make positive differences in their home country.

- Application is made to the International Admissions Office
- A Selection Committee assesses the applications
- Short-listed candidates may be required to participate in an interview (which may take place in the student's home country or via video conference)

The Scholarships are awarded by the Academia Strategic Council on the recommendation of the Selection Committee.

Eligibility

- Top International student from Nepal
- Studying an equivalent to Slovenian Year 12 or IB in 2017
- Commencing a mechanical engineering program at Academia campus in Maribor, Slovenia
